

### **Mesa High School - Mesa Unified School District (School Year 2010 – 2011)**

Mesa High School was awarded the S3 grant and selected the following goals and objectives as part of their action plan:

#### ***Goal 1 – Improve conditions for learning in eligible schools by utilizing valid and reliable data***

**Objective 1** – Intervention schools will experience a decrease in the percentage of students who report personal harassment or bullying on school property.

**Objective 2** – Intervention schools will experience an improvement in their school safety score.

#### ***Goal 2 – Reduce high-risk student behaviors that present barriers to learning in eligible schools by using valid and reliable data***

**Objective 1** – Intervention schools will experience a decrease in the percentage of students who report current (30-day) alcohol use.

During the 2010/11 baseline year, this high school had a climate index of 80. To improve the climate of the school, the following universal and targeted interventions were selected:

#### **Link Crew (LC)**

The LC is a transition program that assists junior and senior peer mentors in supporting and guiding freshmen students throughout their first successful year of high school.

#### **Student Assistance Programs (SAPs)**

SAPs are comprehensive school-based programs designed to identify issues which prevent students from learning and being successful in school. SAPs provide education, prevention, early identification, intervention referral, and support groups for students.
